

Macarthur Centre for Sustainable Living,

With your help, 2023 was a great year for our people and our planet.

Let's look back on the impact you've made from the start.

We look forward to your continued support in 2024.

6893818

Total containers returned in your portfolio

\$689,382

In refunds given back to your communities

423

Tonnes of scheme materials returned

Your impact equates to:

13976

Cars permanently taken off the road

79685

Trees planted

53109469

Kilograms of carbon emissions avoided

You can share your impact with the social tiles attached.

And as always, thank you for being Resource Revolutionaries.
